Dear Child Care Provider,

This letter is in regards to the 10/20/14 compliance check of your Level B Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits.

*Add flood – away from home, need at both exits.*

☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and [www.iowasmokefreeair.gov](http://www.iowasmokefreeair.gov).

*Need at second exit patio door.*

☐ 110.5(1)p Children under the age of one year are placed on their backs for sleeping unless otherwise authorized in writing by a physician.

*Discussed not using rock n sleeper for sleep and discussed safe sleep on back.*

☐ 110.9(3)c The bottom of the window opening is not more than 44 inches above the floor with permanent steps inside leading up to the window.

*Need to make accessible, not have steps blocked by furniture.*

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.

**Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates.

**Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope within 45 days from the date of inspection.**
